Please describe the demonstration/class you wish to teach or products you wish to sell _____

You must teach/demonstrate a fiber technique or how to use a product in accomplishing a technique. No outside selling is allowed during demonstrations/classes, but students are welcome to go to the vendor's market and purchase items at that location if they are available or purchase from the instructor/demonstrator at a later date. Demonstrators work for free, but instructors will be paid to teach.
